NEW CALEDONIA 2017

Monday 3 July – Monday 10 July

(IN ASSOCIATION WITH GET EDUCATIONAL TOURS)

With its blend of French and South Pacific cultures, New Caledonia is a rich and relevant educational destination for teachers of French. Following highly successful previous tours, the AFTV continues to encourage members to visit New Caledonia for their own professional learning and to organise tours for their students. The AFTV Study Tour for Teachers of French is both for first-time and previous visitors to New Caledonia. As in 2013 and 2015, the Study Tour is also open to teachers of French from other Australian states. The tour departs from Melbourne.

The Study Tour offers:

- Language development and maintenance – CREIPAC course: 12 hours
- Immersion – language and culture
- Introduction or update: New Caledonia as a destination for school tours
- Tours and visits including Amédée Island, Centre Tjibaou, City Sights
- AFTV financial support ($500 payment on return) for current AFTV members with VIT registration who complete the tour, including the CREIPAC course.

PL compliance for renewal of registration: The VIT advises that the Study Tour references many of the Australian Professional Standards for renewal of registration. Teachers should keep a full record of the trip for verification purposes.

Tax Deductibility: The cost of the Study Tour may be deductible from income for taxation purposes. Advice from a taxation specialist is recommended.

Cost: $2,600 (estimated) including taxes and levies. Subject to currency fluctuations, program changes and cost increases before final payment. Cost is based on twin share hotel accommodation. Single room supplement: $460 (estimated).

Travel Insurance: Compulsory (available from GET Tours).

Passport: Required

Flexibility: It will also be possible for teachers to stay on after the tour to meet up with friends or family for further travel or leisure. This will not affect our group travel discount and can actually be facilitated by our tour provider, GET.
